Forest School Experience

Dear Parent/Carer,

After the success of Key Stage 2's Make £5 Grow project, the children decided as a group that they would like to use the money for a forest school experience day.

We have arranged for this to be on **Friday 16th July**. The children will walk from school to the forest area (which is based near Carleton Rode Jubilee Hall) and will spend the day enjoying a variety of forest-based activities such as den building, team games, cooking on a fire pit and using tools to build.

As we will be spending the whole day in the forest, could you please ensure that your child brings a packed lunch and water bottle in a back pack which they are able to carry with them.

Children should also come to school on the morning of the trip dressed in clothes which fully cover their arms and legs due to the risk of stings and ticks in the forest. It is well shaded and covered by the trees so even if it is a hot day, covered arms and legs are required. They should also wear clothes which you don't mind getting muddy. If you have any insect repellent it may also be useful to pack this in your child's bag. Sensible footwear is also necessary for the walk and the activities. If the weather is set to be wet or cold, other clothing such as coats and wellies would also be useful as the trip will still go ahead.

Kind regards,

Miss Sparkes and Mrs Bolderston

A lovely place to learn
