17th March 2021

Dear Families,

The 'Filling the Gap' Project.

We are writing to let you know that our local churches have contacted us to say that they are able to work with our schools to provide free food hampers to families in need during the Easter school holiday. This is in addition to any free school meal vouchers families receive from school if their child is entitled to free school meals.

As schools we are aware, in confidence, of some families in need and we also know who is entitled to free school meals. However, we don't know if there are any more families in our communities who are struggling at the moment and feel they cannot say so or do not know they are entitled to this support. Please do feel able to come forward if this is the case.

If you would like to receive the support offered, it comes as a dry food hamper (tins and pasta etc.) and there is also a family activity bag. The hamper would be delivered free of charge, in confidence by a volunteer.

If you would like to receive the hamper and activities over Easter, we will need your consent and some details about your family which will be passed, in confidence, to our church project coordinator. Your details will be kept confidentially in-line with GDPR requirements and only be used for the production and delivery of hampers.

Please contact your child's school office to be sent a paper consent form, or alternatively, email your consent and the details below to the school office by Weds 24th March.

Would you like to receive a food hamper and activities? Yes/ No

Name of family:

Address:

Phone number:

Email address:

Number of adults in household over 16 years:

Number of children in household under 16 years:

Food allergies:

Best wishes,

Judith Jones
