

Carleton Rode - Newsletter 5/11/21

Dear Parents and Carers,

We have been pleased to see the children back in school after the half term.

Please enjoy a fun and safe bonfire night. We look forward to hearing from the children all about the fireworks and the bonfires they saw.

All the best,
Mrs Whyte

Governor Position

At Carleton Rode we have two positions on the Governing Board. This is a fantastic opportunity to get involved with the school, and see how it works. The Governing Board are particularly looking for people with financial or business experience.

You will need to attend a Full Governors Board meeting every half term, be part of a committee and be involved with monitoring.

If you think this is something you would like to do please let Mrs Whyte know.

Here is a link to four children sharing our school with potential candidates for the new Executive Head. It was videoed by the Chair of Governors so we hope you enjoy it

General Items

Please could we ask the children not to bring in toys or personal items. We do not want them to be upset if they get lost or broken.

It is now that time of year for wellies and coats. Please can these come into school clearly labelled. Children need wellies to play on the field when it gets muddy, but they also need school shoes for the classroom.

If you need someone different to pick you child up from school, please could you let the school office know. We will then ensure your child goes home safely with the correct person.

BBC Children In Need

BBC Children in Need will be on Friday the 19th November. To celebrate the children can come to school either in dress up clothes or in non-uniform for a donation. Tiger class will still be doing PE so please can they bring a PE kit with them on that day.
