'Loving our neighbours as ourselves, by treating others how we'd like to be treated'

Newsletter 14th January 2022

Dear Parents and Carers,

The children have settled back into a new term and are starting their new themes. They have been very sensible today as we have moved back into bubbles.

Mrs Whyte

Sickness

It is that time of year when sickness bugs are doing the rounds again. If your child is vomiting or has diarrhoea, please can we remind you that they need to be off for **48 hours** from last episode of diarrhoea or vomiting.

Isolating – Home Learning

Please see the new Government guidelines below.

If your child is isolating and feeling well, please have a look at the online activities they can do. You can find it all on our website. Go to **Key Information** and then click on **Coronavirus Information**.

Each class has sent home the curriculum maps for the term so choose any of the items from these to identify activities your child can do.

If your child is not well with Covid, then please do not worry and let them recuperate.

Winners of our Christmas Hamper - Issy and Lily

We were delighted to draw the raffle ticket to see who had won the hamper. As you can see from their faces, the girls look delighted. We hope they and the rest of the family enjoyed the contents over the Christmas period.

A big thank you also to Morrisons for donating to hamper to us.

Changes to the self-isolation period for those who test positive for COVID-19

From Monday 17 January, people who are self-isolating with COVID-19 will have the option to reduce their isolation period after 5 full days if they test negative with a lateral flow device (LFD) test on both day 5 and day 6 and they do not have a temperature. For example, if they test negative on the morning of day 5 and the morning of day 6, they can return to their education or childcare setting immediately on day 6.

The first test must be taken no earlier than day 5 of the self-isolation period, and the second must be taken the following day. All test results should be [reported to NHS Test and Trace](#).

If the result of either of their tests is positive, they should continue to self-isolate until they get negative results from two LFD tests on consecutive days or until they have completed 10 full days of self-isolation, whichever is earliest.

Anyone who is unable to take LFD tests or anyone who continues to have a temperature will need to complete the full 10 day period of self-isolation.

Further [information on self-isolation for those with COVID-19](#) is available.

Carleton Rode Jubilee Hall

Please see what is on offer over at Carleton Rode. The multisport session is for Year 6 children and they hope to have some activities for 5-11s in the very near future - we will keep you posted!
